Are you afraid of secrets?	Do you have a secret?
What if you could see into secrets?	Are there secrets no one should ever tell?
	Are there secrets no one should ever learn?
	See right through them...
	Are there secrets no one should
What if you could see into secrets?	See right through them...
What if you could see forever?	Want an eye?
Here. Take one...	
(or beyond)	Victor Frankenstein saw into a secret,
(suffering)	(but could not see through it...)
(loss)	a secret he thought would conquer death.
(the people)	(hunger) (pain)
(What if you could see forever?)	He thought he could construct a perfect
(Do you have a secret?)	man, unscarred by mortal fears. (Are there secrets no one should learn?)
	He believed, for the people
(what might they undo?)	who lived below the hill. (below the hill)
(There's a curse up there)	But these people feared his quest,
(a curse)	feared his questions, (Are you afraid of secrets?)
(Frankenspell)	and feared what his answers might do
	to their already darkened lives. (Are you afraid of the light?)
(He's crazy) (mad)	Because of their fear, they said that
(Superstar)	Frankenstein Tower was cursed... (A living curse is on them all) (a curse)
	and they gave Victor the nickname,
	"Frankenspell." (Frankenspell)
	And because of the darkness
	in their lives, (Are you afraid the the dark?)
	they envied Victor's brilliance
	(a genius)
	and called him, "Superstar"... (Superstar)
