

Song 4 - Frankenspell Superstar - **I'm Gonna School Ya!**
Lyrics by Tobin James Mueller Music by Tobin James Mueller

Hilde:

Come here, boy. I'm gonna school ya.
There are some things you got to know.
Come here, boy. They're gonna fool ya.
You got to learn before you go...

The world out there, its gonna burn ya,
Burn you with lies and guilt and greed.
Its cruel out there; that you will learn ya.
Learn it before they make you bleed.

Hilde & Animals:

Learn
You

Gypsies:

The world out there...burn you with its fire.
With lies and guilt and greed,
Its cruel out there...fill you with desire.
...You got to

Gypsies:

When
Can

Both Parts:

Howl! Really shake it loose! Take it

Hilde & Animals:

To
And

Gypsies:

Them
Cry

Both Parts:

Foul! Then you

Hilde & Animals:

Learn
You

Gypsies:

When
Can

Both Parts:

Hold on! Never letting go! You should

Hilde & Animals:

Know
You

Gypsies:

When
Can

Both Parts:

Stand! know that you can...win!
Shake it loose! Take a spin!
Cut the noose! Don't give in!
You can be a genuine...Man! Imagine if you can!

Hilde:

Listen, to keep your head on straight.
Mission toy, they'll try to spurn ya
Until you go and take their bait...

The world out there, its gonna burn ya,
Burn you with lies and guilt and greed.
Its cruel out there; that you will learn ya.
Learn it before they make you bleed.

Gypsies:

The world out there...burn you with its fire.
With lies and guilt and greed,
Its cruel out there...fill yo boy. Don't let them turn ya.
...You got to

Hilde & Animals:

Learn
You

Gypsies:

When
Can

Both Parts:

Howl! Really shake it loose! Take it

Hilde & Animals:

To
Know

Gypsies:

Them
When

Both Parts:

When to cry foul!

Hilde & Animals:

Learn
You

Gypsies:

When
Can

Both Parts:

Hold on! Never letting go! You should

Hilde & Animals:

Know
You

Gypsies:

What
Will

Both Parts:

Need! Need! Need!
And if you are in need...plead!

Animals:

`Cuz you're tall...don't mean you know all.
You still must plan and think things through.
`Cuz we're small, don't mean we're oddball.
We're quick, but we get stepped on too!
("So listen up!")

Keep your head
Don't intimidate.
Al-ways con-centrate.
Cre-ate your own fate.

("In your case, that's a real concern!")
("I hate it when big guys do that.")
("Don't go and water down life none, ya hear?")
("Collaborate!" "Innovate!" "Emancipate!")

Creature:

I can win! Yes I
Can become a man!
Imagine! Become
Human once again!

Keep your head on straight.
Don't intimidate.
Always concentrate.
Cre-ate your own fate.

Gypsies:

There's so much to learn. Where you gonna turn? There's so much to learn. Learn.
There's so much to learn. Where you gonna turn? There's so much to learn. Learn. Learn. Learn.
There's so much to learn. Where you gonna turn? There's so much to learn. Learn.
There's so much to learn. Where you gonna turn? There's so much to learn. Learn. Learn. Learn.

Hilde:

The world out there,
burn you with its fire.
With lies and guilt and greed.
Its cruel out there
burn you with desire.
...You got to.

...You got to

Hilde & Animals:

Learn
You
Howl

Gypsies:

When
Can
Howl

Creature:

Howl!

Both Parts:

Really shake it lose, take it

Hilde & Animals:

To
Know

Gypsies:

Them
When

Both Parts:

When to cry foul!

Hilde & Animals:

Learn
You

Gypsies:

When
Can

Both Parts:

Hold on! Never letting go! You should

Hilde & Animals:

Know
You've

Gypsies:

When
Been

Both Parts:

Burned! Burned! Burned! Burned! Burned! Burned!
If you've learned...where
You can turn!
