

GET A LIFE!
lyrics by Tobin Mueller

MICKEYSPLEEN:

Why do you make such a mess, there, where you go?
Why do you act like a pest, well, don't you know?
Why can't you be like the rest, join the show, bro?
You got to stop this infestation, pronto.

It's time to make the arrest before you grow.
Then know that you'll be digested; a low blow.
Got a choice. Use your voice. It's do or die.
Sing along and belong or meet the knife.
It's your turn to be burned, so GET A LIFE!

MICKEY SPLEEN & THE LYMPHETTES:

You've been surrounded and hounded by real pros.
My macrophages, in stages, will bring woes.
We've recognized your peptides, you can't hide now.
T Lymphocytes are excited and primed now.

Now that you're found we will hound all your brothers.
New antibodies are bound for all others
You have lost at a cost of many cells.
Now in tune, we're immune and feeling well.
No more strife... We know how to save a life!

LYMPHETTES:

So you thought you could outsmart the likes of me and Mickey Spleen?
Should have stopped before you started, now it's time that you come clean.
You should know just how you should treat your hostess, better than you've done.
Now you know it's not that we are boasting, but, give up, we have won.
You don't need to stress when natural defenses are on line.
Simply get your rest and eat a balanced diet to stay primed.
Staying deathly and happy should be fun.
Keepin' all of those bad guys on the run.
Say it loud that we're proud cuz we have won!

CHORUS:

When you're out of breath you know that you can turn to Mickey Spleen.
Fear your nearing death? He'll find the trouble...make it look routine.
Fever got you down? You need a cure, a natural vaccine.
Turn your frown around. Don't stay down. Count on Mickey Spleen.

CHORUS:

Show the way.
Save the day.
Join the fray.
Save the day.
Scrub 'em clean,
Mickey Spleen.

LYMPHETTES:

Mickey.
Mickey Spleen.
Mickey.
Hey!
You are lean and mean.
Come and intervene.

CHORUS & LYMPHETTES:

Always in the scene. He'll keep your noses clean.
That's Mickey Spleen.

MICKEY SPLEEN & THE LYMPHETTES:

You've got a life all your own, so take care now.
But there are things that go wrong, so beware now.
You got to work to be strong, so be fair now.
Give health a chance to stay round, take good care now.

CHORUS:

Go get a life.
Go get a life.
Go get a life.
Time to get a life.

Go get a life.
Go get a life.
Now. Voice. Do. Bye-bye.
Long. Or meet the knife.
Turn. Burn. Get...
Get a... Get a... Get a...

Go get a life.
Go get a life.
Go get a life.
Time to get a life.

Go get a life.
Go get a life.
Lost. Cost. Many cells.
And feeling well.
How. Save...
Save a... Save a... Save a...

CHORUS: MICKEYSPLEEN:

Go get a life. Go get a life.
Go get a life. Get one!
Go get a life. Go get a life.
Give up son, we've won!
Go get a life. Go get a life.
Go get a life. Get a life and...
Be fun!!
Guys on the run.
We won. We won. We won.

CHORUS:

Go get a life.
Go get a life.
Go get a life.
Time to get a life.

Count on our Mickey Speh-leen and the others
To be there for you when your feeling smothered.
We can't do it alone, you got to try,
Taking care all along to fortify.
Only you can supply the reasons why...
Come on and GET A LIFE.

MICKEY SPLEEN:
It's your life. Yeah.

LYMPHETTES:
Yeah.

Go get a life.
Go get a life.
How. Lone. Try now.
To fortify.
Try now... Try now...
GET A LIFE.

CHORUS:
Yeah.
