

Rebellion Is A Lullaby (to the boy inside)
music & lyrics by Tobin Mueller

Did you miss?
Did it pass you by?
Raise me up!
Raise me up:
Revolution.

I dream it
in childhood:
A simple thing.
Inside me
Like fathers with eyes that sting.

A child
A cradle
A mother sings
A hero
A story
An opening

Raise me! Raise me! Raise me!
Raise me! Raise me! Raise me up!

All the hopes
Can I let them down?
All the stars I have counted
What is their sum?
All the lives: Accumulation
Within me, what am I waiting for?
Within me, what am I waiting for?
What am I waiting for?
What... are we waiting for?

Pull it down from the mountain.
Read it off the parchment clean.
Reflected there in the blood in the streets.
How many times must it repeat?
Repeat?
Repeat?

All the changing...
Did it pass you by?
Raise me up!
Raise me up!

Freedom
Freedom come alive
Freedom
Freedom come alive

Freedom is a dream
Freedom is a dance
Freedom is a song
Freedom is a chance

In the outlaw love of a Mother
Beyond every law of the cradle
Rebellion is a lullaby
To the boy inside
The boy inside
Beyond every law of the Father
Is the tearing off of the label
For the boy inside to realize
The boy inside
The boy inside...

Raise me up!
Raise me up!

Don't miss the changes.
The change is you
The change is me
