

Speak Truth to Power
music & lyrics by Tobin Mueller

Performed by Audiocracy, feat. Anton Mueller (vocals, bass), Tobin Mueller (backing vocals, keys), Darren Chapman (guitar), Rob Thurman (drums)

Throw from the tower all your crowns of gold.
Hour by hour we can load them up and cart them away.
Gather like flowers all the promises of Eden once told.
Speak truth to power!
Speak truth to power!

Do you want
Do you want to take it another day?
We can end their world tonight...
Party through the morning.
Turn your back.
Turn your back.
Turn your back and walk the other way.

Throw from the tower all those clowns of old.
Hour by hour we can load them up and cart them away.
(Truth to Power)
We won't ever need those crowns again.
(Truth to Power)
We won't ever need them.

Turn your back.
Turn your back.
Turn your back and walk away.
(Walk away)
Just walk away now!
(Truth to Power)
Walk away from power.
(Truth to Power)
Walk away...!

Do you know
Do you know you don't need to be afraid?
Do you know you can turn your back and just walk the other way?

Throw from the tower all those crowns of gold.
(Walk away from power)
Hour by hour we can load them up and cart them away.
(Walk away from fear)
Gather like flowers all the promises of Eden once told.
(Walk away from power)

Speak truth to power!
Walk away from power.
Walk away. Walk away.

Just turn your back and walk away.
Just turn your back and walk away.
Just turn your back and walk away.
Just turn your back and walk away.
Just turn your back and walk away.

Walk away!
Walk away from power.
Walk away!
Walk away from power.
Walk away!
Truth to power!
Walk away from power.
Truth to power!
Walk away!
Truth to power!
Walk away to freedom!
Truth to...
Truth...
Truth...
